The Editor,

I am sending the below information for your perusal and publication. I would like to thank you in advance for your service and for any exposure that you may give us to continue helping Maltese Youth we work with.

## Awakening Asaph

Awakening Asaph is a new concept in local music. A compilation of original songs written over the past two years by ten Christian bands, Awakening Asaph, presents a clear picture of the vision of young people today. The variety in style and outlook between the participating bands and the degree of collaboration they have achieved with this project shows how much the young church understands and seeks synergy. The featuring bands are Cornerstone; Comunio; Quicksand; His Project; SDC; D-Xtremes; Footprints; EFG; Salesian River of Worship and FYC Crossbows. The growing phenomenon of local Christian music is renewing the way christians relate to society at large.

Awakening Asaph will be officially launched at the Salesian Oratory courtyard, Sliema, on Friday June 27<sup>th</sup> at 20:30. Entrance to the concert is free, and ample free parking space will also be available just across the road. On the night, Awakening Asaph is selling at a 10% off the retail price.

More information on the compilation, the launch and a preview of the songs is available on [www.awakeningasaph.org](http://www.awakeningasaph.org).
